MEMORANDUM OF PLEA AGREEMENT

Pursuant to Rule 11 of the Federal Rules of Criminal Procedure, the UNITED STATES OF AMERICA, by its attorney, the United States Attorney for the District of Hawaii, and the defendant, JARRIN K. YOUNG, and his attorney, WILLIAM L. SHIPLEY, JR. Esq., have agreed upon the following:

**THE CHARGES**

1. The defendant acknowledges that he has been charged in an Information with violating Title 21, United States Code, Sections 846, 841(a)(1) and 841(b)(1)(C).
2. The defendant has read the charge against him contained in the Information, and that charge has been fully explained to him by his attorney.
3. The defendant fully understands the nature and elements of the crime with which he has been charged.

**THE AGREEMENT**

4. The defendant agrees to waive indictment and enter a voluntary plea of guilty to the Information, which charges him with conspiracy to distribute and possess, with intent to distribute, a quantity of methamphetamine. The defendant is aware that he has the right to have this felony asserted against him by way of grand jury indictment. The defendant hereby waives this right and consents that this offense may be charged against him by way of the Information. In return, the

government agrees to move to dismiss Counts 1, 16 and 17 of the Third Superseding Indictment in CR No. 19-00099 DKW as to the defendant after sentencing.

5. The defendant agrees that this Memorandum of Plea Agreement shall be filed and become part of the record in this case.

6. The defendant enters this plea because he is in fact guilty of conspiracy to distribute and possess, with intent to distribute, a quantity of methamphetamine as charged in the Information, and he agrees that this plea is voluntary and not the result of force or threats.

#### **PENALTIES**

7. The defendant understands that the penalties for the offense to which he is pleading guilty include:

a. A term of imprisonment of up to 20 years and a fine of up to \$1,000,000, plus a term of supervised release of not less than 3 years and up to life.

b. In addition, the Court must impose a \$100 special assessment as to each count to which the defendant is pleading guilty. The defendant agrees to pay \$100 for each count to which he is pleading guilty to the District Court's Clerk's Office, to be credited to said special assessments, before the commencement of any portion of sentencing. The defendant acknowledges that

failure to make such full advance payment in a form and manner acceptable to the prosecution will allow, though not require, the prosecution to withdraw from this Agreement at its option.

c. **Loss of Federal Benefits.** At the discretion of the Court, the defendant may also be denied any or all federal benefits, as that term is defined in Title 21, United States Code, Section 862, (a) for up to five years if this is the defendant's first conviction of a federal or state offense amounting to the distribution of controlled substances, or (b) for up to ten years if this is the defendant's second conviction of a federal or state offense consisting of the distribution of controlled substances. If this is the defendant's third or more conviction of a federal or state offense amounting to the distribution of controlled substances, the defendant is permanently ineligible for all federal benefits, as that term is defined in Title 21, United States Code, Section 862(d).

### **FACTUAL STIPULATIONS**

8. The defendant admits the following facts and agrees that they are not a detailed recitation, but merely an outline of what happened in relation to the charge to which the defendant is pleading guilty:

- a. Beginning not earlier than May 2018, and continuing up to and including August 2018, Defendant JARRIN K. YOUNG agreed with

Jacob Smith, Timothy Taboada, and others, to distribute and possess, with intent to distribute, a quantity of methamphetamine, a Schedule II controlled substance, in the District of Hawaii.

- b. In furtherance of the conspiracy, YOUNG obtained distributable quantities of methamphetamine from Smith or Taboada and intended to further distribute the methamphetamine to others.
- c. On May 6, 2018, YOUNG was intercepted over a Title III wiretap of another individual's phone asking Smith for "two more" while parked in front of Taboada's residence. Surveillance agents then observed Taboada come outside, approach the vehicle in which YOUNG was parked and hand something to Smith. Smith then gave YOUNG two "eight-balls" of methamphetamine which YOUNG intended to further distribute. An "eight-ball" is 1/8 of an ounce.
- d. On May 11, 2018, in a Title III intercepted conversation, YOUNG was intercepted telling Taboada he was coming to Kaneohe to pick up "two orange" for Smith. The "two orange" YOUNG was planning to pick up were two ounces of methamphetamine. In a later Title III intercepted conversation that day, Smith and Taboada agreed to "just

give him one”, meaning for Taboada to give YOUNG just one ounce of methamphetamine.

- e. At all relevant times discussed above, YOUNG knew that the substance(s) he possessed, with the intent to distribute, and conspired to distribute and possess, with intent to distribute, were all, in fact, methamphetamine.

9. Pursuant to Section 6B1.2 of the Sentencing Guidelines, the parties agree that the charge to which the defendant is pleading guilty adequately reflects the seriousness of the actual offense behavior and that accepting this Agreement will not undermine the statutory purposes of sentencing.

#### **SENTENCING STIPULATIONS**

10. Pursuant to CrimLR 32.1(a) of the Local Rules of the United States District Court for the District of Hawaii and Section 6B1.4 of the Sentencing Guidelines, the parties stipulate to the following for the purpose of the sentencing of the defendant in connection with this matter:

- a. The parties stipulate to the facts as set forth in paragraph 8 of this agreement.
- b. The parties further agree that Defendant is responsible for 35 grams of a mixture and substance containing a detectable amount of

methamphetamine based on the two “eight-balls” of methamphetamine Defendant possessed, with intent to distribute, on May 6, 2018 (a total of 1/4 ounce or approximately 7 grams) and the one ounce of methamphetamine Defendant possessed on May 11, 2018 with the intent to further distribute (approximately 28 grams).

c. As of the date of this agreement, it is expected that the defendant will enter a plea of guilty prior to the commencement of trial, will truthfully admit his involvement in the offense and related conduct, and will not engage in conduct that is inconsistent with such acceptance of responsibility. If all of these events occur, and the defendant’s acceptance of responsibility continues through the date of sentencing, a downward adjustment of 2 levels for acceptance of responsibility will be appropriate. *See* U.S.S.G. § 3E1.1(a) and Application Note 3.

d. The United States Attorney agrees that the defendant’s agreement herein to enter into a guilty plea constitutes notice of intent to plead guilty in a timely manner, so as to permit the government to avoid preparing for trial as to the defendant. Accordingly, the United States Attorney anticipates moving in the Government’s Sentencing Statement for a one-level reduction in sentencing offense level pursuant to Guideline § 3E1.1(b), if the defendant is

otherwise eligible. The defendant understands that notwithstanding its present intentions, and still within the Agreement, the prosecution reserves the rights (1) to argue to the contrary in the event of receipt of new information relating to those issues, and (2) to call and examine witnesses on those issues in the event that either the United States Probation Office finds to the contrary of the prosecution's intentions or the Court requests that evidence be presented on those issues.

11. The parties agree that notwithstanding the parties' Agreement herein, the Court is not bound by any stipulation entered into by the parties but may, with the aid of the presentence report, determine the facts relevant to sentencing. The parties understand that the Court's rejection of any stipulation between the parties does not constitute a refusal to accept this Agreement since the Court is expressly not bound by stipulations between the parties.

12. The parties represent that as of the date of this agreement there are no material facts in dispute.

#### **APPEAL/COLLATERAL REVIEW**

13. The defendant is aware that he has the right to appeal his conviction and the sentence imposed. The defendant knowingly and voluntarily waives the right to appeal, except as indicated in subparagraph "b" below, his conviction and any sentence within the Guidelines range as determined by the Court at the time of

sentencing, and any lawful restitution or forfeiture order imposed, or the manner in which the sentence, restitution, or forfeiture order was determined, on any ground whatsoever, in exchange for the concessions made by the prosecution in this Agreement. The defendant understands that this waiver includes the right to assert any and all legally waivable claims.

a. The defendant also waives the right to challenge his conviction or sentence or the manner in which it was determined in any collateral attack, including, but not limited to, a motion brought under Title 28, United States Code, Section 2255, except that the defendant may make such a challenge (1) as indicated in subparagraph “b” below, or (2) based on a claim of ineffective assistance of counsel.

b. If the Court imposes a sentence greater than specified in the guideline range determined by the Court to be applicable to the defendant, the defendant retains the right to appeal the portion of his sentence greater than specified in that guideline range and the manner in which that portion was determined and to challenge that portion of his sentence in a collateral attack.

c. The prosecution retains its right to appeal the sentence and the manner in which it was determined on any of the grounds stated in Title 18, United States Code, Section 3742(b).

**FINANCIAL DISCLOSURE**

14. In connection with the collection of restitution or other financial obligations that may be imposed upon him, the defendant agrees as follows:

a. The defendant agrees to fully disclose all assets in which he has any interest or over which he exercises control, directly or indirectly, including any assets held by a spouse, nominee, or third party. The defendant understands that the United States Probation Office (USPO) will conduct a presentence investigation that will require the defendant to complete a comprehensive financial statement. To avoid the requirement of the defendant completing financial statements for both the USPO and the government, the defendant agrees to truthfully complete a financial statement provided to the defendant by the United States Attorney's Office. The defendant agrees to complete the disclosure statement and provide it to the USPO within the time frame required by the United States Probation officer assigned to the defendant's case. The defendant understands that the USPO will in turn provide a copy of the completed financial statement to the United States Attorney's Office. The defendant agrees to provide written updates to both the USPO and the United States Attorney's Office regarding any material changes in circumstances, which occur prior to sentencing, within seven days of the event giving rise to the changed circumstances. The

defendant's failure to timely and accurately complete and sign the financial statement, and any written update thereto, may, in addition to any other penalty or remedy, constitute the defendant's failure to accept responsibility under U.S.S.G § 3E1.1.

b. The defendant expressly authorizes the United States Attorney's Office to obtain his credit report. The defendant agrees to provide waivers, consents, or releases requested by the United States Attorney's Office to access records to verify the financial information, such releases to be valid for a period extending 90 days after the date of sentencing. The defendant also authorizes the United States Attorney's Office to inspect and copy all financial documents and information held by the USPO.

c. Prior to sentencing, the defendant agrees to notify the Financial Litigation Unit of the U.S. Attorney's Office before making any transfer of an interest in property with a value exceeding \$1,000 owned directly or indirectly, individually or jointly, by the defendant, including any interest held or owned under any name, including trusts, partnerships, and corporations.

### **IMPOSITION OF SENTENCE**

15. The defendant understands that the District Court in imposing sentence will consider the provisions of the Sentencing Guidelines. The defendant

agrees that there is no promise or guarantee of the applicability or non-applicability of any Guideline or any portion thereof, notwithstanding any representations or predictions from any source.

16. The defendant understands that this Agreement will not be accepted or rejected by the Court until there has been an opportunity by the Court to consider a presentence report, unless the Court decides that a presentence report is unnecessary. The defendant understands that the Court will not accept an agreement unless the Court determines that the remaining charge adequately reflects the seriousness of the actual offense behavior and accepting the Agreement will not undermine the statutory purposes of sentencing.

### **WAIVER OF TRIAL RIGHTS**

17. The defendant understands that by pleading guilty he surrenders certain rights, including the following:

a. If the defendant persisted in a plea of not guilty to the charges against him, then he would have the right to a public and speedy trial. The trial could be either a jury trial or a trial by a judge sitting without a jury. The defendant has a right to a jury trial. However, in order that the trial be conducted by the judge sitting without a jury, the defendant, the prosecution, and the judge all must agree that the trial be conducted by the judge without a jury.

b. If the trial is a jury trial, the jury would be composed of twelve laypersons selected at random. The defendant and his attorney would have a say in who the jurors would be by removing prospective jurors for cause where actual bias or other disqualification is shown, or without cause by exercising peremptory challenges. The jury would have to agree unanimously before it could return a verdict of either guilty or not guilty. The jury would be instructed that the defendant is presumed innocent, and that it could not convict him unless, after hearing all the evidence, it was persuaded of his guilt beyond a reasonable doubt.

c. If the trial is held by a judge without a jury, the judge would find the facts and determine, after hearing all the evidence, whether or not he or she was persuaded of the defendant's guilt beyond a reasonable doubt.

d. At a trial, whether by a jury or a judge, the prosecution would be required to present its witnesses and other evidence against the defendant. The defendant would be able to confront those prosecution witnesses and his attorney would be able to cross-examine them. In turn, the defendant could present witnesses and other evidence on his own behalf. If the witnesses for the defendant would not appear voluntarily, the defendant could require their attendance through the subpoena power of the Court.

e. At a trial, the defendant would have a privilege against self-incrimination so that he could decline to testify, and no inference of guilt could be drawn from his refusal to testify.

f. At a trial, the defendant would have a right to have the jury determine beyond a reasonable doubt the quantity and weight of the controlled substance charged in the Information necessary to establish the statutory mandatory minimum penalty or an increased statutory maximum penalty.

18. The defendant understands that by pleading guilty, he is waiving all of the rights set forth in the preceding paragraph. The defendant's attorney has explained those rights to him, and the consequences of the waiver of those rights.

### **USE OF PLEA STATEMENTS**

19. If, after signing this Agreement, the defendant decides not to plead guilty as provided herein, or if the defendant pleads guilty but subsequently makes a motion before the Court to withdraw his guilty plea and the Court grants that motion, the defendant agrees that any admission of guilt that he makes by signing this Agreement or that he makes while pleading guilty as set forth in this Agreement may be used against him in a subsequent trial if the defendant later proceeds to trial. The defendant voluntarily, knowingly, and intelligently waives any protection afforded by Rule 11(f) of the Federal Rules of Criminal Procedure

and Rule 410 of the Federal Rules of Evidence regarding the use of statements made in this Agreement or during the course of pleading guilty when the guilty plea is later withdrawn. The only exception to this paragraph is where the defendant fully complies with this Agreement but the Court nonetheless rejects it. Under those circumstances, the United States may not use those statements of the defendant for any purpose.

20. The defendant understands that the prosecution will apprise the Court and the United States Probation Office of the nature, scope and extent of the defendant's conduct regarding the charges against him, related matters, and any matters in aggravation or mitigation relevant to the issues involved in sentencing.

21. The defendant and his attorney acknowledge that, apart from any written proffer agreements, if applicable, no threats, promises, agreements or conditions have been entered into by the parties other than those set forth in this Agreement, to induce the defendant to plead guilty. Apart from any written proffer agreements, if applicable, this Agreement supersedes all prior promises, agreements or conditions between the parties.

22. To become effective, this Agreement must be signed by all signatories listed below.

23. Should the Court refuse to accept this Agreement, it is null and void  
and neither party shall be bound thereto.
